Excellence and Enjoyment for All

21st January 2014

Dear Parents / Carers

This week we have introduced a new 'Challenge' reward system into our school. We are focusing on improving the behaviour in and around school, as excellent behaviour from all children is something we have always prided ourselves on at Greenfield Primary School.

Each week the school will have a different 'Challenge' to meet. All members of staff, including teachers, TAs, dinner ladies and any additional adults will be looking out for children meeting this challenge and rewarding those who do. We will also be using our sanction systems in any cases where the challenge is being ignored. Rewards will come in the form of smiley face tokens. These will be collected by the child's class teacher and at the end of the week will be counted up. During Monday morning assembly the child from each class with the most smiley faces will be presented with a certificate and have their photograph displayed on the reward wall. The top four children from each class will gain an extra 5 minutes playtime after break. Each Monday school will set a new challenge which will be discussed in assembly. Keep an eye on the school website and talk to your child about the challenges we are working on.

This week's challenge is to use our manners by saying please and thank you, as we have noticed a lack of this. Please encourage your child to use their manners as much as possible whilst at home.

We're looking forward to rewarding the children for their hard work and effort towards these new challenges and feel it will make a positive impact in our school.

Thanks for your continued support.

Yours sincerely

Mrs D Juster
Deputy Head
