Selection for teams is not based on ability and in most events all children can participate. However, in sports where numbers are limited, selection will be based on age group, attendance at training sessions and in the fairest way possible.

The Saddleworth Village Olympics runs from 10th September to 25 September 2016 (see www.saddleworthvillageolympics.co.uk for schedule of events)

Competitors and parents are reminded at both training and at the events that Team Greenfield competes within The Spirit of The Olympics.
